<i>List of reviewers</i>	VII
Advances in Marine Navigation and Safety of Sea Transportation. Introduction <i>A. Weintrit &amp; T. Neumann</i>	1
<b>Chapter 1. Advances in Marine Navigation</b>	3
1.1 Analysis of Primary Position Validation in ECDIS System <i>D. Šakan, S. Žuškin, D. Brčić &amp; S. Valčić</i>	5
1.2 Comparison between Simulator Modelled and Empirical Ship Squat Prediction <i>M. Baric, L. Grbic, R. Mohovic &amp; D. Mohovic</i>	17
1.3 Environmental Impact of New Maritime Routes Cadiz-Huelva-Algarve: Preliminary Study <i>D. Marin, E. Nebot, L.A. Fdez-Güelfo, D. Sales &amp; A. Querol</i>	21
1.4 Optimal Route Planning Algorithm for Coastal Ships Considering Ocean Environment and Grounding <i>W. Lee, W. Yoo, S.H. Ham &amp; T. Kim</i>	27
1.5 Probabilistic Modeling of Ship-bank Contacts Based on Manoeuvring Performance under Environmental Loads <i>H. Liu, N. Ma, X.C. Gu &amp; L.P. Wu</i>	31
1.6 Statistical Analysis of the Real Surface Currents and Wind Parameters for the Szczecin Lagoon <i>L. Kasyk, M. Kijewska &amp; K. Pleskacz</i>	39
<b>Chapter 2. Inland, Coastal, Port and Offshore Innovations</b>	49
2.1 A Novel Algorithm for Modeling Human Decision Making of Inbound Merchant Ships – A Case Study of the Shanghai Waigaoqiao Phase IV Port <i>J. Xue, C.Z. Wu &amp; P. van Gelder</i>	51
2.2 Polar Plot Capability of a Tug in Indirect and Direct Mode of Escort Towing <i>J. Artyszuk</i>	57
2.3 Use of Association Rules for Cause-effects Relationships Analysis of Collision Accidents in the Yangtze River <i>B. Wu, J.H. Zhang, X.P. Yan &amp; T.L. Yip</i>	65
2.4 Vessel Traffic Services: Innovation, Adaptation, and Continued Relevance <i>G. Hanchrow</i>	73
<b>Chapter 3. New Perspective for Communication Systems</b>	79
3.1 A Review of NAVDAT and VDES as Upgrades of Maritime Communication Systems <i>S.I. Bauk</i>	81
3.2 Detained Vessels Under Paris MoU: Implementation of GMDSS <i>R.E. Rey-Charlo, F. Piniella &amp; J.I. Alcaide</i>	89
<b>Chapter 4. Challenges in Safety of Sea Transportation</b>	97
4.1 Analysis of Accidents During Maritime Transportation of Cargo Fumigated by Phosphine: Causes, Consequences, Prevention <i>E. Belobrov, V. Torskiy &amp; G. Rangayeva</i>	99
