Guide to maritime security and the ISPS Code

Foreword	xv
----------------	----

Section 1 – Introduction

1.1 Purpose of the Guide	1
1.2 Structure	1
1.3 Sources	2
1.4 Overview of the Maritime Security Measures	2
Origins	2
The SOLAS Convention	3
The SOLAS amendments 2002	3
Conference resolutions	3
The Maritime Security Measures in brief	4
Milestones	5
1.5 Benefits of, and challenges in, implementing the Maritime Security Measures	5
1.6 Maintaining security awareness	6
Introduction	6
Security awareness programmes	7
1.7 Abbreviations	8
1.8 Definitions	9
Appendix 1.1 – Cross-reference of Government and industry responsibilities	14
Appendix 1.2 – IMO Guidance material on Maritime Security Measures, 1986–2011	15
Appendix 1.3 – Websites showing security awareness programmes	19

Section 2 – Security responsibilities of Governments and their national authorities

2.1 Introduction	21
2.2 National legislation	23
Introduction	23
Experience to date	23
Legislating for the Maritime Security Measures	24
Extending the application of the Maritime Security Measures	28
2.3 Organizations within Government	29
Organizational structures	29
Delegation of responsibility	29

	<i>Page</i>
2.4 Government co-ordination mechanisms	29
Introduction	29
National maritime security framework/strategy	30
National maritime security committees	30
Participation in international and regional organizations	32
2.5 Recognized security organizations	32
Introduction	32
Permitted delegations	33
Authorization	33
Oversight	34
Experience to date	34
2.6 Security levels.	34
Introduction	34
Setting the security level	35
Communicating the security level	36
2.7 Declarations of Security	37
Introduction	37
Establishing the requirement for a DoS	37
Government-to-Government agreement	39
Continuous Declarations of Security	39
Exclusive Economic Zone and Continental Shelf	39
Retention	39
Request by a port facility	39
Request by a ship	39
2.8 Port facility security responsibilities	40
Designating port facilities	40
Port facility boundaries	40
Notification	41
Non-SOLAS port facilities	41
Port security committees.	41
Port facility security officers	42
Port facility security assessments	42
Port facility security plans	43
Security records	43
Review of an approved PFSP.	44
Amendments to an approved PFSP	44
Internal audits.	44
Security measures and procedures	45
Statement of Compliance	45
2.9 Ship security responsibilities	46
Appointment and qualifications of security personnel	46
Ship security assessments	47
Ship security plans	47

	<i>Page</i>
Reporting security system or equipment failures	49
Interdiction at sea	49
Preserving evidence following a security incident	50
Reporting security incidents	50
Security records	50
Internal audits	50
Security measures and procedures	51
Continuous Synopsis Records	51
Manning levels	51
2.10 International Ship Security Certificates	51
Introduction	51
Issuance	51
Verifications	52
Duration of validity	53
Loss of validity	53
Remedial actions	53
Ship out of service	54
Interim International Ship Security Certificates	54
Ship inspections	55
2.11 Control and compliance measures	55
Introduction	55
Duly authorized officers	56
Pre-arrival information procedures	56
Clear grounds	56
Ship inspection in port	57
Notifications	59
Immediate security threat	59
Experience to date	59
2.12 Ship security communications	59
Requirement for alert and identification systems	59
Ship security alert systems	60
Automatic identification systems	61
Pre-arrival notification	61
Long-range identification and tracking of ships	62
2.13 Alternative security agreements	63
Introduction	63
Application	63
Procedure	64
Review	64
Experience to date	65

	<i>Page</i>
2.14 Equivalent security arrangements	65
2.15 Enforcement actions	65
Introduction	65
Stepped approach	66
Counselling	67
Formal notification	67
Serious security deficiencies	67
Restriction or suspension of activities	67
Suspension or withdrawal of an approved PFSP or SSP	68
Imposition of penalties	68
2.16 Training of Government officials with security responsibilities	68
Introduction	68
Duties of officials	68
Training requirements	70
Code of conduct	71
Identification documents	71
2.17 National oversight	72
Introduction	72
Seafarer access considerations	73
Port facility inspections	74
2.18 Additional security-related instruments and guidance issued by IMO	75
Introduction	75
Non-SOLAS vessels	75
Port security	77
SUA Convention	77
Offshore activities	78
Specific security issues	78
2.19 Information to IMO	78
Introduction	78
Global Integrated Shipping Information System	79
National contact points	79
Port facilities	79
National legislation	80
Additional information	80
Appendix 2.1 – Implementation questionnaire for Designated Authorities	81
Appendix 2.2 – Implementation questionnaire for Administrations	83
Appendix 2.3 – Criteria for selecting recognized security organizations	85
Appendix 2.4 – Sample of a port facility security plan approval form	86
Appendix 2.5 – Form of a Statement of Compliance of a port facility	95
Appendix 2.6 – Form of the International Ship Security Certificate	97
Appendix 2.7 – Form of the Interim International Ship Security Certificate	102
Appendix 2.8 – Sample of a ship security inspection checklist	104
Appendix 2.9 – Sample of a notice of non-compliance	109

	<i>Page</i>
Appendix 2.10 – Sample of a core training curriculum for officials in national authorities . . .	110
Appendix 2.11 – Sample of a port facility security inspection report form	111
Appendix 2.12 – Details of national authority contact points.	118
Appendix 2.13 – Details of port facilities.	119
Appendix 2.14 – Report of the imposition of a control and compliance measure.	120
Section 3 – Security responsibilities of port facility and port operators	
3.1 Introduction	123
3.2 Security framework.	124
Defining the port facility	124
Recognized security organizations	124
Alternative security agreements.	125
Equivalent security arrangements	125
3.3 Changing security levels	125
3.4 Declarations of Security	126
3.5 Security personnel	127
Port facility security officers	127
Other port facility personnel with security-related duties.	128
All other port facility personnel.	128
Security clearances.	129
3.6 Port facility security assessments.	129
Introduction	129
Conducting PFSA's	129
Preparing PFSA reports	129
PFSA coverage of multiple facilities	130
Updating PFSA's	130
3.7 Port facility security plans	130
Introduction	130
Preparing and maintaining PFSPs.	130
3.8 PFSP implementation	132
Introduction	132
Planning and conducting drills and exercises.	132
Reporting security incidents	132
Information security	133
Shore access for seafarers and on-board visits to ships.	134
Conducting self-assessments.	134
Preventing unauthorized access	135
Effective security of cargo and ship's stores	135

	<i>Page</i>
4.7 Ship security assessments	179
Introduction	179
Conducting and documenting SSAs.	179
Preparing SSA reports	179
Updating SSAs	180
4.8 Ship security plans	180
Introduction	180
Preparing and maintaining SSPs.	181
Planning and conducting ship security drills and exercises.	182
Access to ships by Government officials, emergency response services and pilots.	183
Shore leave and access to shore-based facilities by seafarers	184
Reporting security incidents	184
Maintaining on-board records.	186
Conducting self-assessments.	186
Reviewing and amending an approved SSP	187
4.9 The International Ship Security Certificate	187
4.10 Control and compliance measures	188
4.11 Guidelines for non-SOLAS vessels.	189
Introduction	189
General guidance	189
Appendix 4.1 – Sample of a Declaration of Security form for a ship-to-ship interface.	192
Appendix 4.2 – Competency matrix for company security officers	194
Appendix 4.3 – Competency matrix for ship security officers	196
Appendix 4.4 – Competency matrix for shipboard personnel with designated security duties	198
Appendix 4.5 – Competency matrix: Security awareness for all shipboard personnel.	200
Appendix 4.6 – Standard data set of security-related pre-arrival information	201
Appendix 4.7 – Example of a ship security assessment and plan approval process.	204
Appendix 4.8 – Examples of internet sources of guidance material on preparing and validating ship security plans	205
Appendix 4.9 – Implementation checklist for ship security personnel	206
Appendix 4.10 – Implementation checklist for shipping companies and their CSOs.	224
Appendix 4.11 – General information on security practices for all non-SOLAS vessel operators	240

Section 5 – Framework for conducting security assessments

5.1 Introduction	247
5.2 Pre-assessment phase	247
Risk register	247
Establishing assessment teams	248
Process mapping.	248
Inventory development	248
Methodology selection.	248

	<i>Page</i>
5.3 Threat-assessment phase	250
5.4 Impact assessment phase	251
5.5 Vulnerability assessment phase	252
5.6 Risk-scoring phase	253
5.7 Risk-management phase	254
Appendix 5.1 – Examples of internet sources of security assessment methodologies	256

Resolutions of the Conference of Contracting Governments to the International Convention for the Safety of Life at Sea, 1974, adopted in December 2002

Conference resolution 1 – Adoption of amendments to the Annex to the International Convention for the Safety of Life at Sea, 1974	259
--	------------

Conference resolution 2 – Adoption of the International Code for the Security of Ships and of Port Facilities	273
--	------------

Preamble	274
---------------------------	------------

ISPS Code

Foreword	279
---------------------------	------------

Part A: Mandatory requirements regarding the provisions of chapter XI-2 of the Annex to the International Convention for the Safety of Life At Sea, 1974, as amended

1 General	280
2 Definitions	280
3 Application	281
4 Responsibilities of Contracting Governments	282
5 Declaration of Security	282
6 Obligations of the Company	283
7 Ship security	283
8 Ship security assessment	284
9 Ship security plan	285
10 Records	286
11 Company security officer	287
12 Ship security officer	288
13 Training, drills and exercises on ship security	288
14 Port facility security	288
15 Port facility security assessment	289
16 Port facility security plan	290
17 Port facility security officer	291

	<i>Page</i>
18 Training, drills and exercises on port facility security	292
19 Verification and certification for ships	292
 Part B: Guidance regarding the provisions of chapter XI-2 of the Annex to the International Convention for the Safety of Life at Sea, 1974 as amended and part A of this Code	
1 Introduction	302
2 Definitions	305
3 Application	305
4 Responsibilities of Contracting Governments	306
5 Declaration of Security	313
6 Obligations of the Company	314
7 Ship security	315
8 Ship security assessment	315
9 Ship security plan	318
10 Records	327
11 Company security officer	327
12 Ship security officer	327
13 Training, drills and exercises on ship security	327
14 Port facility security	329
15 Port facility security assessment	329
16 Port facility security plan	332
17 Port facility security officer	343
18 Training, drills and exercises on port facility security	343
19 Verification and certification for ships	344
 Conference resolution 3 – Further work by the International Maritime Organization pertaining to the enhancement of maritime security	
	351
 Conference resolution 4 – Future amendments to chapters XI-1 and XI-2 of the 1974 SOLAS Convention on special measures to enhance maritime safety and security	
	353
 Conference resolution 5 – Promotion of technical co-operation and assistance	
	355
 Conference resolution 6 – Early implementation of the special measures to enhance maritime security	
	357

	<i>Page</i>
Conference resolution 7 – Establishment of appropriate measures to enhance the security of ships, port facilities, mobile offshore drilling units on location and fixed and floating platforms not covered by chapter XI-2 of the 1974 SOLAS Convention	359
Conference resolution 8 – Enhancement of security in co-operation with the International Labour Organization	361
Conference resolution 9 – Enhancement of security in co-operation with the World Customs Organization	365
Conference resolution 10 – Early implementation of long-range ship's identification and tracking	367
Conference resolution 11 – Human-element-related aspects and shore leave for seafarers	369
