

CONTENTS.

CHAPTER I.—INTRODUCTION.

General Importance—Juniors—Apprentices—Examinations 1

CHAPTER II.—THE RUDDER AND ITS CONTROL.

Rudders—History—Paddles—Steering Paddles—Sculling—Attached Paddles—Quarter Rudders—Median Rudders—Control—Tillers—Quadrants—Rowing Boats—Steering Chains—Steering Engine—Hunting Gear—Steam Supply—Slack Gearing—Telemotor—Pressure—Glycerine—Oil—Electric Gear—Wheatstone Bridge—Hydro-Electric Gear—Gyro Pilot—Helm Indicators—Additional Wheel—Hand Gear—Broken Stock—Quadrant Fittings 3

CHAPTER III.—COMPASSES.

Magnetic—Gyroscopic—Description—Principle—Advantages—Deviation—Movable Iron—Officers' Keys—Parallax—Compass Readers—Dimmers—Wheelhouse—Wrong Helm—Recorder 21

CHAPTER IV.—CASES WHERE THERE IS NO PROPELLER.

Boats—Principle—Action of Rudder—Auxiliary Rudders—Balanced Rudders—Lighters—Stern Wheelers—Bow Rudders—Ferries—Paddle Tugs and Boats 31

CHAPTER V.—SAILING SHIPS.

Rudders—Full and Bye—Royals—Veering—Backing—Running Free—Wind Aft—Heavy Weather—Fore and Afters—Pennant—Close-Hauled—Fishing Craft 36

CHAPTER VI.—THE SCREW-RACE.

Currents—Suction—Delivery—Rotary—Transverse Thrust—Wake Current—Sailing Ships—Wake Proper—Combined Effects—Turning Short Round—Full Astern—Pivotal Point 41

CHAPTER VII.—TWIN SCREW VESSELS.

- Counteraction—Turn Outwards—Power Going Astern—Turning
Analysis—Turning Inwards—Pivotal Point 53

CHAPTER VIII.—STEERING STEAMERS AT SEA.

- Little Helm—Relieving—Carrying Helm—The Wheel—Watching the
Ship's Head—Starboard Helm—Steadying—Weather Helm—
Squalls—Lubber Line—Lag—Gaussin Error—Stars and Clouds—
Wind Action—Swell—Trim—Balance—Promptness—Excessive
Helm—Patience—Attention—Relieving Temporarily—Coasting—
Local Attraction—The Telemotor and Carrying Weather Helm 57

CHAPTER IX.—THE OFFICER OF THE WATCH.

- Supervising—Helm—Wake—Stars—Azimuth—Wash—Smoke—
Shadows—Wind—Slackness—Comparison—Suggesting—Double
Comparison—Altering Course—Orders—Hard Over—Steady—
Indicating—Port and Starboard—Foreign Pilots' Responses—Lee-
way—Discrepancies—Steerage Way in Fog—Currents and Tides 72

CHAPTER X.—MANŒUVRING.

- Restrictions—Going Astern—Reversing—Collisions—Pausing—Just
Clearing—Bow on—Twin Screw Steering—The Master—Picking
up Pilots—Entering Breakwaters—Steering in Canals—Rivers—
Passing Ships—At Anchor—Sheering—Maximum Helm—Two
Anchors—Clearing Hawse—Working Alongside—Observation 79
