

CONTENTS.

PART I.

	PAGE
CHAPTER I. Outlines of Construction	I
CHAPTER II. Types of Cargo Steamers	4
CHAPTER III. Details of Ship Construction, Keels and Keelsons	26
CHAPTER IV. Scantling Numerals, Side Frames, etc.	35
CHAPTER V. Ballast Tanks	56
CHAPTER VI. Pillars and Girders	79
CHAPTER VII. Bottom Plating	101
CHAPTER VIII. Rivets and Riveting	119
CHAPTER IX. Decks	132
CHAPTER X. Bulkheads	143
CHAPTER XI. Cargo Hatchways	179
CHAPTER XII. Stems, Sternposts, Rudders	200
CHAPTER XIII. Ship Repairs	225

PART II.

CHAPTER XIV. Simple Ship Calculations	253
CHAPTER XV. Moments, Centre of Gravity, Centre of Buoyancy	290
CHAPTER XVI. Bending Moments, Shearing Forces, etc.	309
CHAPTER XVII. Equilibrium of Floating Bodies, Metacentric Stability	357
CHAPTER XVIII. Trim	377
CHAPTER XIX. Stability of Ships at Large Angles of Inclination	399
CHAPTER XX. Rolling	437
CHAPTER XXI. Loading and Ballasting	456
CHAPTER XXII. Freeboard	485

APPENDICES.

APPENDIX A. Change of Draught in Passing from Fresh to Salt Water; Mean Draught; Proof of Formula $BM = \frac{I}{V}$	551
APPENDIX B. International Convention for Safety of Life at Sea	556
APPENDIX C. Method of Calculating Cross Curves of Stability, Employing Longitudinal Vertical Sections	558
APPENDIX D. Table of Natural Tangents, Sines, and Cosines; Weights of Materials; Rates of Stowage	566
INDEX	571
