Chapter I Explanations and general remarks	1
Chapter II Definitions	3
Chapter III Methods of signalling	5
Chapter IV General instructions	7
Chapter V Flag signalling	11
Chapter VI Flashing light signalling	13
Chapter VII Sound signalling	15
Chapter VIII Radiotelephony	17
Chapter IX Morse signalling by hand-flags or arms	19
Chapter X Morse symbols – phonetic tables – procedure signals	21
Chapter XI Single-letter signals	27
Chapter XII Single-letter signals with complements	29
Chapter XIII Single-letter signals between ice-breaker and assisted vessels	31
Chapter XIV Identification of medical transports in armed conflict and permanent identification of rescue craft	33

General section

I Distress – emergency	
Abandon	39
Accident – doctor – injured/sick	39
Aircraft – helicopter	41
Assistance	44
Boats – rafts	47
Disabled – drifting – sinking	49
Distress	50
Position	53
Search and rescue	55
Survivors	60
II Casualties – damages	
Collision	61
Damages – repairs	62
Diver – underwater operations	63
Fire – explosion	64
Grounding – beaching – refloating	65
Leak	68
Towing – Tugs	69

	<i>Page</i>
III Aids to navigation – navigation – hydrography	
Aids to navigation	74
Bar	74
Bearings	75
Canal – channel – fairway	75
Course	76
Dangers to navigation – warnings	77
Depth – draught	81
Electronic navigation	83
Mines – minesweeping	85
Navigation lights – searchlight	86
Navigating and steering instructions	86
Tide	88
IV Manoeuvres	
Ahead – astern	90
Alongside	91
To anchor – anchor(s) – anchorage	91
Engines – propeller	93
Landing – boarding	93
Manoeuvre	94
Proceed – under way	94
Speed	96
Stop – heave to	97
V Miscellaneous	
Cargo – ballast	98
Crew – persons on board	98
Fishery	99
Pilot	101
Port – harbour	101
Miscellaneous	102
VI Meteorology – weather	
Clouds	106
Gale – storm – tropical storm	106
Ice – Icebergs	107
Ice-breaker	109
Atmospheric pressure – temperature	110
Sea – swell	110
Visibility – fog	112
Weather – weather forecast	112
Wind	113
VII Routeing of ships	115

VIII Communications	
Acknowledge - answer	116
Calling	116
Cancel	116
Communicate	116
Exercise	118
Reception - transmission	118
Repeat	119
IX International Health Regulations	
Pratique messages	120
Tables of complements	121
Medical section	
Table of Contents	125
Instructions	127
I Request for medical assistance	131
II Medical advice	146
Tables of complements	152
Medical index	163
Appendices	
Appendix 1 - Distress signals	170
Appendix 2 - Table of signalling flags	172
Appendix 3 - Table of life-saving signals	174
Appendix 4 - Radiotelephone procedures	180
General index	185
