Fortieth Anniversary of Prof. Józef Świniarski Research Work in the Field of Fishing Technique		15
J. Świniarski P. Nowakowski H. Sendłak	Forty years of the model fishing gear research in the Department of Fishing Technique	19
E. Ceronik	Activities of the Student's Association of Underwater Research in the 40-year history of the Department of Fishing Technique	31
Plenary Session		
M. Paschen	Research and education in fishing technology- reminiscences of the successful international co-operation	41
W. Thiele	FAO Approach to the problems of responsible And sustainable fisheries	45
L. Bartoszewicz	The outlook of the Polish fisheries	51
J. Kosiński	An assessment of the situation in Polish deep sea fishing sector	59
W. Ziora	Common fishery policy	65
O. Gabriel	Development and improvement of selective, environment and stock friendly fishing gear in the Fisheries Research Centre Hamburg	69
Hydrodynamics of Fishing Gear		75
G. Niedzwiedz	The further development of calculation methods for fishing gear against the background of the cooperation between the University of Rostock and University of Agriculture in Szczecin	77

P.Nowakowski	Horizontal opening of the pelagic trawl as a function of trawl warps length and trawl door dimensions	91
H.Sendłak	Model research as a base for the development of pelagic trawl constructions	95
G.Łukasiewicz	A versatile trawl for coastal Baltic fisheries – results of model studies	101
M.M.Rozenstein A.A.Nedostup	Investigation of hydro-mechanical characteristics of rope-and-net part of trawl	109
W.Moderhak	Why the codend meshes shall be 90 ⁰ turned	113
Z.Ziembo	Water flow velocity field in the trawling net zone and resulting hydrodynamic forces	119
V.Melnikov A.Melnikov	Polyvariant design of fishing gear	127
Ekological Aspects of Fishing Gear Design & Action		
A.Melnikov V.Melnikov	Fundamental problems of fishing ecology	133
S.Dudko	Catch monitoring as a tool of responsible fisheries	137
U.Richter O.Gabriel W.Rehme	Technical investigations in selectivity of bottom trawls for Baltic flatfish fisheries	143
L.Karlsen B.Enerhaug	Escape of small fish and shrimp size selectivity in shrimp trawls	145
W.Blady J. Zaucha	The evaluation of cod codend selectivity through the application of the half-cover and the alternate hauls methods	153
V.A.Palgui	The influence of ecological conditions (or ecology) at fishing gear selection	161

P.Cetinič I. Jardas J. Dulčić A.Soldo A.Pallaoro	Diversity of fishing gear in coastal area of the eastern Adriatic and its influence on coastal fish communities	165
J.Maksimov D.Toliudis T.Zolubas	Particular aspects of fishing gear influence on fish species in Baltic Sea Lithuanian coastal zone	177
E.T.Prel	To the question of the anodic reaction's accuracy used in electrical fishing	179
J.Dulčić P.Cetinič M.Kraljevič A.Soldo	Small Beach seine for fish fry catching – preliminary data about catch efficiency	183
Acoustics in Fisheries		
Z.Wojan R.Salamon L.Kilian J.Marszal K.Zachariasz A.Raganowicz	Multi-beam sonar with digital beamformer for live resources monitoring in inland water	191
A.Świerzowski	Characteristics and optimization of the exploitation of vendance resources on acoustic-fishing monitoring of lakes	199
J.Apanowicz	Underwater obstacles disposed on Gdańsk Gulf part of Polish EEZ	207
E.Kozaczka A.Makar	Time filtering methods of navigation parameters to location of towed objects	213
L.Gajewski E.Jezionek J.Nowak K.Szefler	Application of hydroacoustic methods to make inventory of obstacles and abandoned fishing nets	219
A.Elminowicz	Multibeam echosounder for fishery	225

A.Orłowski	Acoustic methods for <i>in situ</i> research on fish behaviour	231
------------	--	-----

Miscellaneous Aspects of Responsible Fisheries

E.Ceronik	Artificial reefs as tools for responsible fisheries	241
-----------	---	-----

S.Dudko	Exploitation of Pomeranian Bay fishing grounds in Polish EEZ	251
---------	--	-----

M.Szulc	Surveys of Polish fishing effort in salmon fishing	253
---------	--	-----

J.Krępa	Vessels and catch systems of Baltic fisheries	261
---------	---	-----

V.Tičina J.Kačič P.Cetinič	Two-boat mid-water trawling in the northern Adriatic Sea	267
----------------------------------	--	-----

L.Bartoszewicz	Polish fishing ports, harbours and landing places	275
----------------	---	-----

A.Soldo P.Cetinič J. Dulčić	Catch of Norway lobster- <i>Nephrops norvegicus</i> (L.), in the Adriatic with lobster pot of different mesh size	281
-----------------------------------	---	-----

P-O Larsson V. Tschernij S. Koppetch	The Swedish Baltic cod gill net fishery – fleet and catch structure	289
--	---	-----
